

Live life in colour

Study interior design

Become an Interior Designer

Seriously creative? Take your passion for art and design and turn it into an exciting career in interiors. Our inspiring graduates spend their lives creating incredible spaces from homes and restaurants to cafes, workspaces, retail stores and hotels.

No exams. No ATAR required. Simply bring your passion and enthusiasm for the world of design. Work on real projects for real clients, learn from professional Interior Designers and graduate with an industry ready portfolio.

Diploma of Interior Design

**“I loved my course! The school
felt like a real design community.
Now I am working with a leading
design firm in London.”**
